

Corporate Membership of New Zealand Society for the Study of Diabetes Inc.

Welcome to the New Zealand Society for the Study of Diabetes Inc.

The subscription to Corporate Membership entitles the Company to receive one copy of all Society communications. It is expected to distribute those to *relevant, health professional*, members of the Company. The Company is entitled to one vote when its representative is present at general meetings of the Society.

The Company is expected to nominate a corresponding member to:

1. Act as liaison with the Society
2. Be responsible for receiving Society documents and papers and their circulation to the relevant *health professional* members of the Company
3. Ensure that the Membership Secretary of the Society is advised of any change of responsible corresponding member by the Company
4. Be responsible for responding to Society communications as required, on behalf of the Company.

Subscriptions run for the Society's year, i.e. from 1st April to 31st March.
