

NEW ZEALAND CLINICAL NETWORK FOR CHILDREN AND YOUNG PEOPLE WITH DIABETES

ACHIEVEMENTS: JULY – DECEMBER 2025

PEOPLE: NGA TĀNGATA

- **KidsHealth Documents**

- Updated:
 - The Continuous blood sugar monitoring comparison table
 - The Emotional and mental wellbeing in children with Diabetes resource
- Under review:
 - School action and management plans

PARTNERSHIPS AND CONNECTIVENESS

- Working in partnership with Mathitahi Matehuka, NZSSD, DNZ
- Ongoing collaboration with Diabetes NZ Youth forum including resources in development.

IMPROVING PRACTICE

- Periprocedural guideline has been published.
- Submission in response to the PHARMAC proposal for the changes of the special authority requirements for Diabetes CGM. The combined effort from the clinical network and other relevant organizations, the continuous glucose monitors have been included in the PHARMAC decision.
- PSNZ members contributed to KiwiDiab network report on diabetes care for tamariki and rangatahi.

SUSTAINABILITY

- Welcomed new Reference Group dietitian member Sarah Beer.
- Seeking General Paediatrician members for the reference group via EOI.

As kaitiaki (caregivers/guardians) of diabetes related services, it is a collective responsibility to establish an environment that facilitates a pathway for people with diabetes to navigate te ao mate huka - the world of diabetes.
